From the Principal

Saturday 5 November we held our major fundraising event for the Parents’ and Citizens’ Association of the school – the annual swap meet. It was a beautiful sunny day and the community of the Fraser Coast came out in numbers and supported the school. All car spaces for the meet were pre-sold, the gold coin entrance fee and the selling of food and drinks raised approximately $13000 for the P&C. This was a magnificent effort. Can I thank all our parent volunteers and the many students and staff who assisted with the organisation prior to the event, setting up on Friday night and early Saturday morning and to those who assisted on the gates and on all the school stalls. Many hands made light work and I thank everyone for their part in this fundraising venture that benefits our students. I would like to single out P&C members Kylie Atkinson and Renei Lewis for all their work in organising this annual fundraising event. Congratulations on your success!

Another recent success was our annual Awards Evening when we celebrated the academic, cultural and sporting success of some 221 students who were recognised and rewarded for their work both in and outside the classroom. It was a great evening and it is always the pinnacle of my year as Principal to congratulate the many proud students and their families on their success. It is also a time where we say thank you to our outgoing School Captains, Jemima Andersen, Lauren Fulton, Josh Lewis and Tobias Baek. These four students represented the school throughout the past year with pride and purpose. I would like to publicly acknowledge their work and promotion of this school and wish them all the best in their future pursuits. It was with pleasure that the 2017 school captains were announced on the evening. I would like to welcome Courtney Cooper, Shaquille Dower, Madison Keig and Courtney McKenna to the role of school captain and congratulate them on winning this position. I look forward to working with them in their role as advocate for the student body.

Many academic awards, credits, distinctions, honours and subject prizes were awarded to hard working and deserving students from Year 7 to Year 12. Congratulations to our Junior Dux, Stephanie Roots, and School Dux, Cameron Huber, for receiving the highest academic award. While many different students were recipients of major awards for academic, cultural and sporting success, the prestigious Caltex All Rounder award was presented to Jemima Andersen acknowledging her leadership as School Captain, academic success as a subject prize winner and recipient of a distinction academic award, her work in the school music program, school bands, sporting involvement and member of the Kokoda Challenge team. Jemima is a very deserving winner of this award.

I would like to thank the many parents/carers and families who attended the evening to support and acknowledge the great work of students attending this school. We had in excess of 850 in the audience and this support continues to get bigger and bigger each year. We may need to think about changing venue to ensure that everyone can be included in this celebratory evening of student success. Thank you for your ongoing support.
Finally, it is now a matter of days before our Year 12 students leave us and go forth to continue with their life’s adventure. I would like to wish each and every one the very best of success for their future. Leaving secondary school is a milestone for every young person as they become an adult. It is a time when they leave friends, teachers, their peers and, for some, their families as they move to other places to continue studying or enter employment. Be safe and have much happiness in your life. Remember fondly your time at Hervey Bay State High School and in the words of Winnie the Pooh – “How lucky I am to have something that makes saying goodbye so hard.”

Awards Evening Success

Thank you to the more than 850 people who were in attendance for this year’s Awards Evening. As always, the evening is a great example of the amazing talent and ability that is possessed by students at Hervey Bay State High School. This year 221 individual students received academic, cultural or sporting awards. Not many schools can boast this level of success across that proportion of the school population. Well done to all students and in particular those who took home one of the special awards presented on the evening. I hope to see you all back on the stage in 2017.

Congratulations to Courtney Cooper, Shaquille Dower, Madison Keig and Courtney McKenna on being appointed to the position of School Captain for 2017. These four students will continue the tradition of representing Hervey Bay State High School with pride over the coming 12 months. The first official duties for our new captains will be Remembrance Day on Friday and then a trip to the National Young Leaders Day in Brisbane on Monday 14 November. I would like to take this opportunity to once again publicly thank our outgoing School Captains Jemima, Tobias, Lauren and Josh for the fantastic year and their great work as ambassadors for our school.

Year 12 Graduation

All Year 12 students have received their invitation to the Graduation to take place at 9:30 am on Thursday 17 November. Parents and family members are also invited to attend, however there is at this stage a ‘cap’ of four (4) family members per student. Those Year 12 students with younger siblings at school will need to factor their siblings in to their four tickets if they wish for them to attend. If extra seats are available, these will be distributed to students on order of ticket request. Unfortunately we do have a limited space for this event and as such those without tickets will be unable to attend.

Year 12 Final Week

Thank you to Mr McDougall for his organisation of the final week of activities for our 2016 Graduates. Students have been provided with a booklet outlining the last week activities and it contains plenty of information all the way down to ‘dining etiquette’ at the formal! This year will be bigger and better than ever before with a trip to Fraser Island being one of the highlights. As always, I remind all Year 12 students that the week is a celebration of finishing their time with us at Hervey Bay State High School and that expectations regarding behaviour remains very high.

Buy Smart Competition – Highly Commended

Congratulations to Year 9 students, Dayna Katene, Grace Chrisp and Tania Roots for being awarded Highly Commended in the Buy Smart Competition Awards Ceremony, held at Parliament House last week. As part of their Business project, the girls created a board game about online shopping scams and how to be safe online. With over 400 entries across Queensland, the girls were very excited to be shortlisted and invited to attend the Awards Ceremony.

The girls also met Mr Sorensen MP who also attended the awards ceremony, and afterwards, treated us all to a personalised tour of Parliament House, learning about many of the important and historical features.

Thank you also to Mrs Wilson for her work in assisting the students, both in and out of class, preparing for the competition.

Ms Sarah Brierley

Movie Night Success

Inferno fun! The Year 11 Business Class of Hervey Bay State High School created and organised the premiere movie night, *Inferno*, as a part of the class’s Event Management unit. Lots of time and effort was put into organising the event by Mrs Wilson and her students, with the event being a great success. $420 was raised for Mental Health Organisation, Headspace. These funds were presented to Headspace during Year 11 assembly on Friday 28 October. Headspace was chosen as it is a great organisation which contributes to the community through its services. As the event was held in Mental Health Awareness Week, it helped raise awareness among the community. Alongside the event, raffle tickets were sold with two prizes (Pop! Vinyls) to be won. A big congratulations to Caleb Neilson, Year 9, and Jace Heilig, Year 11, whose names were drawn as the lucky winners. We would like to say a big thank you to Headspace, all who attended the movie or bought raffle tickets, and all other individuals and associations who helped in organising or supporting the event. We hope to run this event again in the future.

### Help Needed

On occasions we have had some ladies volunteering up to 4 days a week to help us fill the vacancies in our roster. Having volunteers means that we do not have to increase our prices. Do you have a spare couple of hours once a week, fortnight or month? We are always in need of extra hands to help feed the 1000+ students and staff and reduce their waiting time. If you could lend a hand, please contact Kylie Atkinson on 4194 3790.

### Parents’ and Citizens’ Association Meeting

Thursday 10 November, 6:00 p.m., main administration building.

**Over 2,500 people at this year’s Swap Meet!!**

The P&C would like to thank all those parents and staff of Hervey Bay State High School who volunteered their time to help out at this year’s Swap Meet and Shannon’s Summer Show and Shine. Without your assistance, our annual fundraiser would not be such a success. The school raised close to $13,000 and this will be used to purchase new items to upgrade our current student facilities.
