

Hervey Bay State High School – YEAR 9 2023

Name: _____ Form: _____

Number: _____

(Office Use only)

Core Subjects***English, Mathematics, Science, Physical Education, History, Geography***

- Students are to choose a **Major** (3 lessons) and a **Minor** (2 lessons) course of study for their elective subjects. Do not choose the same subject on both blocks (as the same preference).
- Please **number three (3) preferences for each column**. Every effort will be made to accommodate student's first choice.
- Students wishing to study STEM (Science, Technology, Engineering and Mathematics) will need to be achieving at a minimum of a 'B' standard for Year 8 Math and Science.
- Home Economics can be chosen as a Major (cooking focus) and a Minor (Textiles focus)

Electives

SUBJECT	MAJOR 1 - 3 (3 lessons / week)	MINOR 1 - 3 (2 lessons / week)
AGRICULTURE STUDIES (Major Only)		
ANIMAL HUSBANDRY (Minor Only)		
ART		
CHINESE (Minor Only)

ECONOMICS AND BUSINESS (Major Only)		
GRAPHICS (Minor Only)		
HOME ECONOMICS (FOOD STUDIES)		
HOME ECONOMICS (TEXTILES – Minor only)		
INTAD (MANUAL ARTS)		
MUSIC		
STEM (Major Only)		

Once a student has chosen their elective subjects, it is assumed that they will continue with these subjects for all of Year 9. This is to allow for the development of a deep level of knowledge and understanding of concepts studied in each subject. If a change is required, this will only occur at the end of Semester 1, ready to commence in Semester 2. This will be communicated to parents/carers and students and timelines will be strictly adhered to.

These electives will only be available if sufficient students are enrolled and staff/resources are available.
