

# Connect Your BYO Device

## Student Version - May 2024

### What devices are compatible?

Windows 10 or 11 laptop | iPad 7 or newer | MacBook laptop purchased after 2018

### What Wi-Fi do I connect to?

When onboarding you connect to: **EQQUEST**

Once you have onboarded, you connect to: **EQNET**

(BYO devices DO NOT connect to iDET)

## STEP 1 - BEFORE YOU BEGIN

The onboarding process is designed to be completed at home. **DO NOT SKIP ANY STEPS!**

You must make sure that:

1. You know your **school Username and Password**, see a Teacher for assistance
2. You must be the **Administrator of your device** and can install software apps
3. Your device must be **updated**
4. **VPN apps are PROHIBITED**, and **Anti-virus apps must be TEMPORARILY DISABLED**

**Tip: We can't offer assistance if you haven't performed Steps 1 to 4.**
