The Parents and Citizens Association meets on the second Thursday of each month and works with the school and wider community to guide the decision making and direction of the school. We are here to support all students and their families, the administration, staff and school community.

School Uniform

The P&C, with school cooperation, have made a decision that Hervey Bay State High School is a uniform school to ensure that students are easily identified while at school and are safe on the way to and from school.

Everyday Uniform

The provides a selection of styles for students to choose from. These include:

- Blue polo shirt for both female and male students in Year 7 - 9
- White polo shirt for both female and male students in Year 10 - 12
- Black school monogrammed shorts — styles available for both female and male students
- Black school monogrammed skirt for female students
- Black school monogrammed skorts for female students
- White or black socks
- Plain black shoes can be purchased from the Uniform Shop located in the Sports Complex. Shoes must meet science laboratory specifications.
- A hat is required for sun safety.

Winter Uniform

Students may choose to wear a monogrammed school jacket or jumper, long black pants or plain black track pants during cooler days. Female students may choose to wear tights, however, these MUST be worn under school shorts or skirts. Tights are not acceptable as a ‘wear-alone’ option as this is a co-educational school.

Uniform promotes an equality to ensure students are accepted in both the school and wider community by having equal access to employment, tertiary and all extra-curricular activities.
