

Hervey Bay State High School – YEAR 8 2024

Number:

(Office Use only)

Name: _____ Form: _____

Core Subjects

- English
- Mathematics
- Science
- History
- Geography
- Health and Physical Education

(Note: HPE offers the option of specialising in a particular sport, so students must list their preference. Theory lessons will be linked to the Australian Curriculum, and practical lessons will focus on the chosen sport.)

Health and Physical Education Preference

Specialty Area	No. 1-5
General Stream (multiple sports)	
Volley Ball	
Rugby League	
Basketball	
Football (Soccer) and Futsal	

Electives

Number five (5) preferences for elective subjects. Number 1 for the elective subject most wanted to number 5 for least wanted. Every effort will be made to accommodate the student's selection of electives 1-4. Popularity of subjects will dictate whether a subject will run. Selection forms will be 'numbered' on their return to Administration with enrolment forms - students will be prioritised accordingly.

Please number your preferences 1 - 5.

Subject	No. 1-5
Art	
Agriculture	
Business	
Chinese	
Dance	
Digital Technologies	
Drama	
Home Economics	
INTAD (Manual Arts)	
Music	
STEM	

Once a student has chosen their elective subjects, they will study these subject for six months.

Additional electives will be available for students in Year 9. These will be studied for the entire year.

Due to the nature of the STEM (Science, Technology, Engineering and Maths) curriculum, the STEM elective subject will be available to those students who have achieved a 'B' rating or better for their Mathematics and Science results in year 7.

These electives will only be available if sufficient students are enrolled and staff/resources are available.
